

Congratulations to our
Hometown Hero

Louis Avenatti

On Monday, July 6, 2020 U.S. Congressman Josh Gottheimer honored local Hometown Heroes during his Fifth District Hometown Heroes Ceremony which recognized these individuals for their dedication to helping the lives of their neighbors, families, and communities.

"We are lucky to have so many unsung heroes in our communities; whose quiet power of service goes on everyday without the recognition they truly deserve." "These individuals come from all walks of life, but they all share an idea that is particularly special - they embody our Jersey Values and make our community such a special place to live, work, and raise a family. They are actively helping us build a more perfect union. We all should work to live up to their example."
